I did not receive your attachment. Do you have an FTP program on your computer? I could give you credentials to a server we have.

Matt, is it possible to reformat the file to look like the attached... that way we have a file that is only 61 pages, as compared to the ones you sent today, which are 6,700 pages... I don't think ADH and ADEQ will want to go through 6,700 pages of data...
